"Senor Torres" aka LAKOTAH is sick of being just smart and not strong too. He think he will never win a fight and as "fresh luchador" in the business this makes him sad. BBK & DMONEY suggests he should make a formula in his dad's laboratory that will make him extra smart and strong. While in the laboratory Lakotah bangs into the shelf with dangerous potions on it. The chemicals touch him and he turns into a huge and powerful monster. Then "Carmelita Gonzalez" (owner of a local dinner) and "Pichi" (her younger brother and Luchador trainer) known as BUBBLE COUPLE go into his head and help him win the fight. Lakotah uses his brain power to defeat the monster, Rock On in da Luchador style while Bubble Couple stay up till Late Night in order to deliver portions of the incredible Tech-Funk plutonium!
